CERAMIC

CHIC Modular has been designed so that any of the pieces which make it up can be installed on a wall by combining tiles of the same shape and size.....as well as ANY and ALL of the other shapes and sizes which make up the collection.

The result is that you can get an INFINITE NUMBER OF COMBINATIONS. To be able to do this, it is ABSOLUTELY ESSENTIAL that the grout line or distance between pieces be 2mm or 1/8 of an inch. Be sure that the distance between pieces is ALWAYS the same.

SIMPLICITY is the best way to build our dreamed home.

CHIC modular está pensado para que cualquiera de las piezas que lo componen se pueda colocar en la pared combinando con su mismo formato... o con todos y cada uno de los restantes.

Se pueden obtener de este modo y FÁCILMENTE INFINITAS COMBINACIONES, aunque para cumplir este requisito " ES IMPRESCINDIBLE " que la distancia entre las piezas sea siempre de 2 mm.

LA SENCILLEZ es la mejor piedra para edificar la casa de nuestra vida.
